Help shape
Pourewa Creek Reserve

Tēnā koutou katoa!

The Ngāti Whatuā Ōrākei Reserves Board would like your feedback on the next stage of the Pourewa Creek Reserve. A series of workshops and hikoi (walks) have been undertaken with whānau and community to start to get an idea of how we can make best use of Pourewa Creek for future generations.

In earlier feedback we identified several emerging themes:

- Environmental themes including nurturing the whenua (land) and the awa (streams/rivers) and protecting the heritage.
- Cultural themes: Katiakitanga (Guardianship), Connection to the whenua and the development of Cultural facilities.
- Economic themes: exploring and developing the opportunities available
- Recreational themes: developing recreational facilities / environments

The Ngāti Whatuā Ōrākei Reserves Board would like to invite you to an open day/drop in session to find out more about this project and to also contribute your ideas and thoughts. We look forward to seeing you. Nau mai, haere mai!

Open Day

When: Wednesday 2nd December 2015, 4:00pm to 7:00pm
Where: At the top of Hapimana Ave in the big red roofed depot building

The Open Day will be followed by a Public Notification Phase when anyone can make a submission on the Reserve Management Plan.

Light refreshments will be provided after 5pm.
