Fun & Info Afternoon ~

at the Meadowbank Community Centre

Come and find out what's happening at the Meadowbank Community Centre, Tahapa Crescent Hall and in the local community.

There are a variety of regular groups from exercise genres: Stretch/Tai Chi/Yoga and Zumba to Martial Arts and Art Classes.

There'll be demonstrations, 'have a go' sessions, plant a seed at the community garden and 'pop in' art activities for the kids.

Collect a rat trap from Meadowbank & St Johns Residents Association and help with the Rodent Eradication Project.

Check out the rooms for hire and enjoy a bite to eat and a coffee, listening to music on the lawn.

There will be some special guests: Fire and Emergency NZ and Kelly Tarlton's and some surprises. See you there!
